To ensure that progress is being made and to allow for program modifications if necessary, a six month progress report is required of all grantees. A year-end report

confirms the impact of the grant and creates the platform for the application for renewed funding.

To receive clinic support, the ALS clinic must be in the State of California and must maintain and adhere to the national standards of Certified Treatment Centers of Excellence (CTCEs). The standards require a multidisciplinary team approach, a cornerstone of the wraparound model of care. Compliance is monitored through on-site clinic participation by chapter staff as well as compliance monitoring by The ALS Association national office. CTCEs must submit an annual report to the national office. Once the national office reviews and confirms adherence to CTCE standards, the CTCE is awarded funding to support clinic services for one year.
